## Why prefer DPS ?

- DPS always focus on the students. Our policies and curriculum has been designed keeping the students of their mind.

- DPS has the kind of infrastructure to supplement the aspirations of our students. Whether the student is creatively oriented or is more focused on fundamental scientific research, we have all kinds of facilities to help achieve his or her dreams.

- A student teacher ratio of 1:30 – ensures each child gets attention from his/her teacher and is not lost out in the crowd.

- Our highly efficient, qualified and competent staff as well as supporting staff – ensure that our student gets the best attention and care from each DPS staff member.

- Progress of each student is monitored and detailed reports of the same sent to their respective parents/ wards on a timely basis.

- The DPS inspire and instill strong and enduring values and ethics and thereby equip young minds to face all challenges in life successfully.

**OUR MODERN INFRASTRUCTURE  
FACILITIES ENSURE THE BEST  
ENVIRONMENT FOR YOUR  
CHILD'S LEARNING**

I am glad to learn that Dadhichi Public School, Cuttack is releasing its prospectus for the current academic session.

**Dadhichi Public School**, Cuttack has carved a niche for itself as an institution of excellence in education. The dedicated team of teachers imparts holistic education aided with state of art labs and other teaching aids. The school is also equipped with various sports facilities and as a result, students produce brilliant results in both curricular and co-curricular activities.

We welcome children for admission to DPS and assure them of the wonderful learning experience which grooms them as worthy and global citizens.

With Best Wishes  
**Dr. Manoj Kumar Dash**  
Chairman, DPS

Our young ones at DPS who are leaders of tomorrow are encouraged to exert and selflessly strive for others and live their imprints on the sands of time.

**Our School has a nurturing environment where young minds are moulded to create a positive influence on society.**

### **Message:**

The excellence in learning is the effort to teach young minds to learn and work well. I believe that being able to provide access to education and good learning centers, helps a society progress. The Trust that started by contributing towards social welfare has grown from strength to strength and has been successful in providing good educational opportunities for upliftment of society across all levels to many students in different areas in Odisha.

Dadhichi Public School, shall aim at equipping the students with a holistic and meaningful education with strong values for a developed personality.

We place strong emphasis on the ability of students to integrate knowledge across different disciplines and to develop their skills. I have always believed that just as a diamond is known by its characteristics, an individual too is known by its characteristics that can be facilitated well by good academics. I pray for your success in future.

## Principal's Message:

As Einstein remarked, “ **Education is not the learning to facts but the training of the mind to think.**” We live in a world where knowledge is no longer an indicator of success.

Founded in the year 2006, DPS offers an outstanding education program that is robust in its academic aims and innovative in its instructional approach. We strive hard to inculcate in students the value of respect, tolerance, resilience, empathy and values that will act as pillars to help them embark in the fast transforming world as global citizens. Choosing the right school for your child is an important decision and we trust the

accompanying information will assist you to make the right decision for your child.

Here you will find a place to connect and a place to belong. We aim to instill in every student a sense of confidence and a love of learning. We aim to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the 21st century. We nurture each child to become good communicator, decision maker and leader who can combat all hurdles in life with confidence and emerge victorious.

Our school is known for its academic achievements, it is credited to the staff and the students themselves, our teachers are highly dedicated, well trained and professionals. We equally focus on the co-scholastic achievements of the Child by providing various opportunities through different competitions.

As the Principal of the School, I wish you a year with new aspirations, hopes and achievements. I look forward for your support and cooperation for the growth for your child.

If I can be of any assistance, please do not hesitate to contact me. I can be reached at **principaldps2005@gmail.com**. I am honoured to serve you as a Principal.

## Our Wings :

### **KIDS WORLD (NURSERY - UKG)**

An exclusively, close-to-our-heart, dedicated section for the kids. Our very own curriculum using a lot of activity based learning.

### **DAY SCHOLAR (Class LKG - XII)**

Day Scholar wing is where the students are in school for a short duration (6 hours), accessing a CBSE based curriculum.

### **DAY BOARDING (Class LKG - XII)**

## A personalized touch with the little ones:

Children are naturally full of unmixed joy and bliss. This pure joy and bliss is systematically smothered and snuffed out by the environment at home and at school. The largest single factor responsible for robbing children of their joy and bliss is the drudgery involved in learning right from early childhood.

We at DPS, which opens its portals right from Nursery section, try to improve the joy of learning as well as the learning of joy at all stages, though more especially at the Primary level. We accomplish this in our tiny tots through joyous activities like water games and various other creative games. The curriculum at this stage is structured to eliminate boredom and enhance learning pleasure, thus making learning a joyful experience.

Our classroom, particularly in the Nursery and Kindergarten classes are provided with state-of -the -art facilities, essential for a modern educational institution. Kids are allowed to experience and discover new things instead of being led by the nose. This makes the whole process interesting and a lot less cumbersome.

## Modern Labs for Learning by Doing

The students of DPS, have easy access to all the laboratories which are architecturally beautiful and interesting centers of learning and knowledge through hands on experience of available resources.

- **Physics Labs**
- **Chemistry Labs**
- **Biology Labs**
- **Math Labs**
- **Computer Labs**

All labs are spacious and well equipped with latest equipment's which facilitate learning by doing.

## Future 40:

**Future 40 is a special batch of DPS** where we select only 40 students each for JEE and NEET integrated preparation. The batch is curated to ensure that CBSE and entrance preparations are done for the students through an integrated curriculum. Major advantage of this batch is that students get 50% more time than other students to focus on self-study and practice. Please note that the top students selected in DSAT exam will be enrolled to this batch and a few meritorious students will get scholarships.

## Digital Classrooms:

To make the learning process more Productive, Innovative and Interesting and in keeping with digital demands of the technology driven world, smart classes have been introduced. The ambience of a digital interactive classroom would thus make learning more entertaining, result oriented and complete.

## The Best Faculty:

Our faculty embodies our core values and breathes life into our core purpose. Individually they are dynamic, creative, inspiring and compassionate. Collectively their strength of focus breeds and environment that is nurturing yet disciplined, progressive yet grounded.

The teachers are accessible to parents through scheduled one to one meetings and other forms of communications such as parents' teacher meeting.

Chosen for their creative and effective teaching skills, our teachers from Kindergarten to High School have access to excellent facilities/ resources, customized teaching aids, and multimedia options in learning areas including the Science, Computer and Maths labs. This helps them to accurately interpret teaching learning model.

**“we nurture your child’s creativity,  
we spark your child’s imagination”**

## What is DSAT:

DSAT- Dadhichi Scholarship Admission Test is an entrance examination conducted by DPS for students seeking admission to Class XI. Qualifying in this test is mandatory and serves as one of the important criteria. On the basis of the performance of the child in this test, he/she qualifies for Personal Interaction round and then subsequently for admission in DPS. Top performers in DSAT are generally awarded with a scholarship, post an Academic Interview round.

## Student's and Parent's Views

My Experience in DPS has given me a chance to sharpen my skills in my field of choice. I Am very thankful to all the teachers. I Am so lucky to be a part of this School.

**Pallavi Das, Std-X**

The coordination among the students, teachers and admin staff is great here. The teachers are personally involved in grooming children.

**Subrat Kumar Sahoo, Std-IX**

My experience with DPS is quite amazing and upto mark. Here the teaching and learning activities are just a step ahead of perfection. I am so grateful to be a part of it.

**Arpita Baral, Std-X**

DPS teaches with utmost care, Guidance and counseling here are world-class.

**Ananya Mohanty, Std-X**

**Knowledge will bring you  
the opportunity to make  
a difference**

I am impressed by how well the teachers maintain a relation with the students. The academics were exceptional but even better was the character development program.

**Pradyumna Ku. Sahoo**

I selected this School because of good culture, qualified faculty and a secured campus.

**Mrs. & Mr. Mohanty**

This is a really fantastic school with a serene atmosphere. The morning assembly is held in an open space which boosts positivity. In an informal environment too, students were well behaved and displayed maturity.
